

Welcome to the Selkirk College Faculty Association

The SCFA is a certified trade union. We are the sole bargaining agent for faculty and faculty assistants in Aviation, Business, Digital Media, Health and Human Services, Kootenay School of the Arts, Music, Renewable Resources, and University Arts & Sciences, as well as librarians, counsellors, and IT specialists.

We are a member of the Federation of Post-Secondary Educators (FPSE).

Our Mandate

As a trade union our mandate is to improve working conditions, salary and benefits for our members and protect our collective rights.

As a professional association we work to achieve excellence in the classroom and promote Selkirk College to the community and the academic world.

Within Selkirk College, we advocate for faculty interests in all aspects of the college governance structure and represent members in their dealings with management.

We also try to have fun!

If you are a new member of the SCFA

Make sure you understand

- your placement on scale
—ask Louise Krohn, VP Human Resource Planning and Development
- how your workload has been calculated
—ask your School Chair
- the process of evaluation
—ask Lui Marinelli, SCFA VP Contract Administration
- your eligibility for Professional Development funds
—ask Rita Williams, SCFA Professional Development Committee Chair

Visit our website www.scfa.ca

- Here you will find our collective agreement, up-to-date information about benefits, the pension plan, our various committees, answers to those frequently asked questions, and more.

Who is Lui?

Lui Marinelli is our SCFA VP Contract Administration. He is the person to call if you have questions about any aspect of your contract. You can find him in Sentinel 202 or call him at ext 269.

Hopefully you have already experienced a friendly and supportive environment at Selkirk College. Please, if you have a question or concern about anything, don't hesitate to contact a member of the SCFA Executive.

We warmly invite you to

- attend the SCFA General Meeting in the Fall
- attend the Annual General Meeting in the Spring
- volunteer for SCFA committees
- run for a position on the Executive
- support SCFA activities within the college and community
